# WELCOME MESSAGE

Dear Esteemed Colleagues,

**Greetings from the Organizing Committee of the GI Conclave Indore 2026!**

It gives us immense pleasure to welcome you all to the **National Conference on Advances in Gastroenterology, Hepatology, and Interventional Endoscopy**, being held in the beautiful and vibrant city of Indore — a city that seamlessly blends heritage, culture, and modernity.

The **GI Conclave Indore 2026** serves as a premier platform for meaningful knowledge exchange, collaboration, and innovation.

The conclave brings together distinguished faculty, researchers, and practicing clinicians from across India to deliberate on the latest advances, evolving challenges, and real-world applications in the **fields of Gastroenterology, Hepatology, GI Surgery, and Digestive Health**.

In an era of rapid medical advancements, it becomes crucial for clinicians to stay updated and adopt evidence-based practices that enhance patient outcomes.

This conclave aims to:

- Provide updated insights on the diagnosis and management of digestive and liver disorders.
- Encourage cross-disciplinary discussions among physicians, surgeons, and specialists.
- Present real-world case studies and interactive sessions fostering practical learning and clinical excellence.

Our esteemed faculty includes stalwarts and thought leaders in the field of Gastroenterology and Hepatology from across the country, whose knowledge and experience will enrich every session.

Beyond the scientific program, Indore — the cleanest city in India for seven consecutive years — offers a unique experience of warmth, hospitality, and rich cultural heritage.

From its iconic **Rajwada Palace to the vibrant street food at Sarafa Bazaar**, Indore promises a perfect blend of science, culture, and camaraderie.

We warmly invite you to join us for this landmark event and look forward to your active participation in making the **GI Conclave Indore 2026** a grand success.

**Let us come together to share, learn, and advance the future of digestive health.**

Warm regards,

**Dr. Amit Agrawal**
